Brian Otieno

Security Professional

PROFESSIONAL SUMMARY

Vigilant, disciplined security officer with experience in commercial and residential compound security across the Gulf.

WORK EXPERIENCE

Security Officer

SafeGuard Security Services — Riyadh, Saudi Arabia

Sep 2020 – Present

- Conducted regular foot and vehicle patrols across a 40-acre residential compound during night shifts, carefully documenting all observations and incidents in detailed nightly reports to maintain a clear security record and support management decision-making.
- Operated and monitored a 32-camera closed-circuit television (CCTV) surveillance network from the central control room, promptly identifying and responding to suspicious activity to maintain continuous situational awareness across the property.
- Managed visitor and vehicle access control at three separate compound gates, verifying identification, maintaining accurate entry logs, and ensuring only authorized individuals gained entry to protect residents and property.

Security Guard

Coastal Mall Security — Mombasa, Kenya

May 2017 – Jun 2020

- Provided consistent, reliable security coverage for a high-traffic shopping mall, monitoring public areas, deterring theft and disorderly conduct, and ensuring a safe environment for shoppers and staff.
- Coordinated directly with local police during two theft incidents, providing witness statements, supporting evidence collection, and helping ensure a timely and effective response.

EDUCATION

Certificate in Basic Security Guard Training
